

CONTINUITY DIVISION FIELD REFERENCE FILE

NEMORRA · CIVIC ORIENTATION · READER-SAFE EDITION

“The city erases his memory every night. The dead keep theirs.”

OVERVIEW

This companion file provides a spoiler-safe orientation to Nemorra as readers first encounter it: its public districts, its investigative center, its transit routes, and the physical city that surrounds the mystery.

It is a reference document, not a substitute for the novels. Hidden locations, restricted systems, later-case revelations, and future-book material are deliberately omitted.

FORMAT

Public companion file

SETTING

Nemorra

FOCUS

Civic orientation & reader reference

SERIES

Five-book science-fiction noir thriller

Use this file beside Book One as a visual reference. The city is meant to feel physical, inhabited, and increasingly difficult to trust.

DISTRICT AND TRANSIT PRIMER

READER-VISIBLE NEMORRA

SEVEN READER-VISIBLE DISTRICTS

- MERIDIAN**

Civic and investigative center: Continuity Division headquarters, courts, records offices, and controlled media.
- VESPER WARD**

Dense residential quarter of bars, hotels, rented rooms, and private clinics; one of the city’s most socially fluid districts.
- CINDER WARD**

Industrial systems, fabrication plants, maintenance crews, utilities, and worker housing.
- GLASSMARKET**

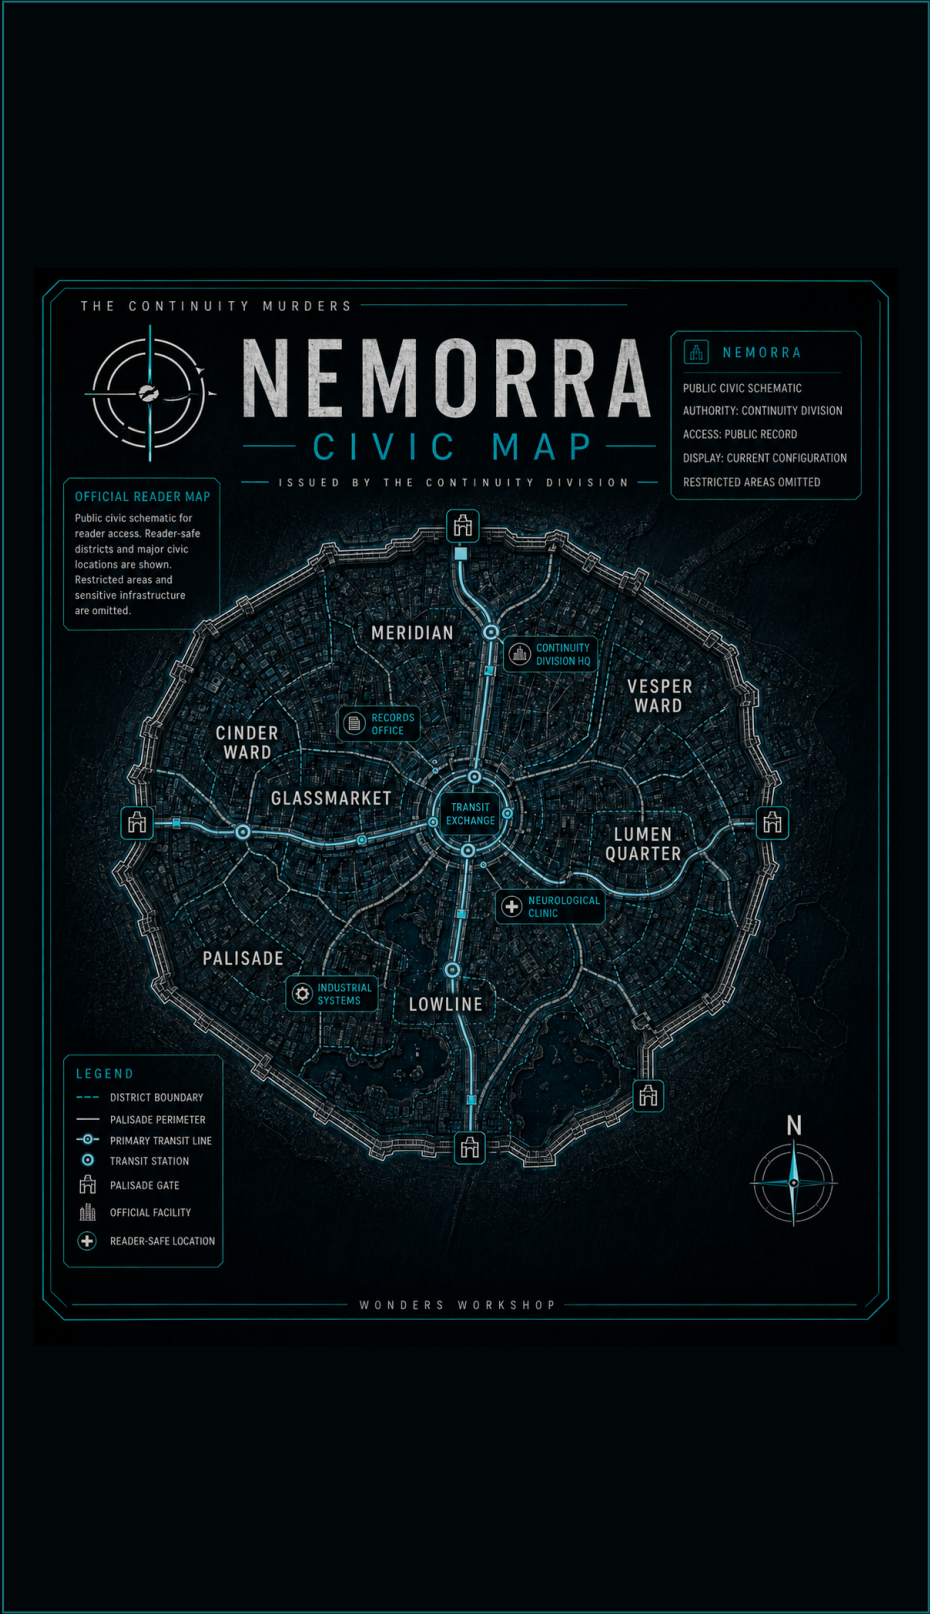

Commercial spine and transit exchange, with biometric banking, entertainment, and public screens.
- LUMEN QUARTER**

Hospitals, schools, neurological clinics, and officially benevolent civic services.
- PALISADE**

Security district along the city wall, with supply depots, barracks, gates, and controlled access.
- LOWLINE**

Subterranean rail, service tunnels, drainage, fabrication routes, and abandoned stations beneath the city.

CIVIC MAP EXCERPT

PUBLIC REFERENCE NOTES & GLOSSARY

SPOILER-SAFE SERIES TERMINOLOGY

01 **Current-cycle maps**

Maps are trustworthy only within the current cycle. Routes and access may not remain identical after a Quieting.

02 **Paper survives differently**

Hand-drawn maps and physical notes are harder to alter through digital record changes, although they can still be lost or confiscated.

03 **The Quieting**

The standard citywide cycle ends at 02:17 Nemorra time. Residents wake to a city whose records and routes may have changed.

04 **Continuity Division**

The investigative body handling murder, identity fraud, illegal memories, unstable Echoes, and disappearances inside Nemorra.

ESSENTIAL GLOSSARY

NEMORRA	The city in which the series begins: a wet, highly controlled metropolitan refuge organized around civic records, investigation, and the nightly cycle.
CONTINUITY DIVISION	Nemorra’s investigative police force, responsible for homicide and identity-related crimes.
THE QUIETING	The nightly period during which targeted residents are incapacitated and recent memory may be erased, edited, or replaced.
PALISADE	The security district running along the city wall, including gates, barracks, supply depots, and controlled access points.
ECHO	A person reconstructed primarily from records and memories belonging to someone legally dead.
RECAST	A biological reconstruction derived from a living person’s template; the original may still exist.

ACCESS NOTE

This reader file intentionally excludes hidden geography, later-case solutions, restricted identity mechanics, and all Book Two-Five reveal material.
